## AFSCME New Jersey Scholarship Program

There's a reason AFSCME New Jersey stands strong at every bargaining table, in every community, and across every public workplace in this state. It's because our union is built by dedicated, passionate public service workers who show up every day for New Jersey's families. For generations, AFSCME members have fought to make sure working people have a real voice, on the job, in Trenton, and in shaping a future where every family can thrive.

AFSCME has always believed in investing in the next generation. Our victories weren't handed to us; they were won by members who refused to accept anything less than dignity, fairness, and opportunity. And with every gain we make, we believe it's our responsibility to pay it forward.

That's the spirit behind the AFSCME New Jersey Scholarship Program. These scholarships exist to support the children and dependents of AFSCME members, to help ease the rising cost of college or vocational training, and to open doors for the next generation of leaders in our communities. It's an investment in the future of working-class families, the same families who keep New Jersey running every single day.

We're proud to recognize the commitment AFSCME families bring to their neighborhoods, their schools, and their workplaces. And we're honored to help the next generation take their next steps with confidence. Thank you for your interest in the AFSCME New Jersey Scholarship Program. We look forward to reading your application, and to seeing where your journey takes you.

In Solidarity,

AFSCME New Jersey Council 63 Scholarship Committee

# THE AFSCME FAMILY SCHOLARSHIP PROGRAM

# 6

The AFSCME New Jersey Scholarship Program is an ongoing program of scholarships available to children and financially-dependent grandchildren of full dues-paying AFSCME New Jersey members. Ten scholarships of \$2,000 each are awarded annually to the winners selected from applicants who meet eligibility requirements. Once awarded, the scholarships will be renewed for \$2,000 each year for a maximum of four years, provided the student remains enrolled in a full-time course of study.

To be eligible for a scholarship the student must:

- Be a graduating high school senior who is the child of a full dues-paying AFSCME member or whose legal guardian or financially-responsible grandparent is a full dues-paying AFSCME member;
  - At the time the scholarship is awarded, be accepted into a full-time degree program either at an accredited four-year institution or a two-year institution that will transfer credits to a four-year institution; and
- AFSCME has adopted a test-optional policy. SAT or ACT results are not required, but may be considered.
- *(See page 3).*

The scholarship may be used for any field of study.

## HOW WILL THE SELECTION BE MADE?

The Scholarship Committee, will thoroughly examine all the application materials submitted by each scholarship applicant. In addition to the Official Application Form, the applicant's essay and the high school transcript, this independent selection committee will carefully consider any recommendations or other evidence (e.g., SAT or ACT results, high school activities or academic honors) of the applicant's character and abilities.

Based on the record of each applicant, the selection committee will then choose the scholarship recipients and announce the winners by **JUNE 15**. Every applicant will be notified in writing of the outcome of the selection process.

The decision of the selection committee is final.
