A MESSAGE FROM OUR PRESIDENT

Hello All,

We had our negotiations meeting earlier today and I wanted to send everyone an update on what was discussed.

As expected, the Township has turned down almost every item we brought to the table. They gave us the items that they want to include in the new contract. We will be meeting again in 2 weeks with our counter offers and I expect this process to go back and forth at least 2 to 3 more times.

When we finally come to an agreement on the contract we would then be holding a meeting with all of our membership and vote yes or no. If it's a yes, we then have a meeting to ratify the new contract and move on. If it's a no, we would continue with negotiations until we get where we want to be.

This is a marathon, we are going to have to dig in here and fight for a fair contract.

If anyone has questions feel free to reach out.

Rey Rivera
President 2278

HOLIDAY PARTY 2023

Voted by the membership there will be no holiday party we will be saving the funds for contract negotiations and possibly planning something for the spring. Let's get our contract going in full motion before we spend any money.

HELLO 2024

Happy New Years!!! This year lets hope that we have the best contract that ever-touched Pennsauken Township. While we hope for a great contract let us continue to reach our goals and plan for a better year.
